Financial Policy

As a courtesy to you, we will gladly electronically file your dental insurance claims. Please be aware that your insurance policy is an agreement between you and your insurance company and that the restrictions of your policy are determined by your carrier and not by our practice. Insurance plans rarely cover 100% of treatment fees and most require co-pays and deductibles. Your portion of payment may be made with cash, check, credit/debit card, or HSA. After 90-days, unpaid balances are subject to late fees and interest charges.

Non-Discrimination Policy

Dentistry for Children complies with applicable federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, or sex.
